WELCOME TO THE

HELLENIC REWARDS

PROGRAM

WHAT ARE HELLENIC REWARDS LEVELS?

Each level of Hellenic Rewards offers different rewards and benefits. The more rewards points you earn when using your membership card to purchase products and services, the higher the level you can achieve.

The Rewards level is determined by the points you accumulate over a 12 month period and you will be upgraded each month (based on the accumulated points over this 12 month period).

There are four levels that can be achieved outlined below.

| HELLENIC REWARDS LEVELS | TIER POINTS EARNED |
|--|----------------------------------|
|  DIAMOND | 70,000 |
|  GOLD | 40,000 OR HIGH VISITATION |
|  SILVER | 3,000 |
|  BRONZE | ENTRY LEVEL |

HIGH VISITATION

Members can also gain access to our Gold Rewards tier through high visitation to the Hellenic Club. Members on our Bronze Rewards tier can reach our Gold Rewards tier through high visitation based on an average monthly basis of 6 visits per week, or 5 visits per week for members on our Silver Rewards tier. High visitation of members will be reviewed monthly and will be subject to change based on these reviews.

EARNING HELLENIC REWARDS POINTS IS EASY

Earning Hellenic Rewards Points is as simple as using your membership card:

- Purchasing food and drinks from any of the Clubs' restaurants and cafes
- Playing the gaming machines
- Booking functions
- Making functions payments

REWARD YOURSELF AND USE YOUR POINTS

When you have accumulated your Hellenic Rewards Points there are so many ways you can use them. You can redeem them for:

- Cash
- Food and drink purchases at any of the Club's restaurants and cafes
- Functions payments
- Gift cards/vouchers

WHAT ARE BONUS LOYALTY POINTS?

Bonus Loyalty Points are given in addition to the Hellenic Rewards Points you earn in a one-month period and they are a benefit based on your Hellenic Rewards Program level. Bonus Loyalty Points are not used to determine your Hellenic Rewards Program level.

HOW CAN I MOVE UP A LEVEL?

From time to time we will upgrade members to the next level they are eligible for, based on the Hellenic Rewards points accumulated over the past 12 months or high visitation.

CAN I MOVE DOWN LEVELS?

Yes you can be moved down a level, but this will only be reviewed from time to time based upon the accumulated Hellenic Rewards points from the previous 12 month period. High visitation will be reviewed monthly.

Once you have reached a certain level you will remain there until these review dates.

HOW DOES RESERVED CARPARK ACCESS WORK?

Here at the Hellenic Club we understand how important parking is to our members, especially the ones who visit us on a regular basis. So to ensure these members are always able to find a park close to the Club, members in our **Gold** and **Diamond** Rewards tiers will be granted access to our Reserved Carpark, to use when they need it most.

DO MY REWARDS POINTS EXPIRE?

Hellenic Rewards points for Bronze and Silver levels expire on the 30th of June each year. Redemption of Rewards points must occur before this time should you wish to benefit from them. Hellenic Rewards Points for Gold and Diamond levels do not expire.

WHAT IF I DO NOT WANT TO PARTICIPATE?

You may opt out of the Hellenic Rewards Loyalty Program at any time, but you will no longer obtain or accumulate Hellenic Rewards points or be part of member promotional activities.
