

HELLENIC CLUB

COMMUNITY CONTRIBUTIONS COMMITTEE COMMUNITY ASSISTANCE PROGRAM

The Hellenic Club Community Contributions Committee was formed in order to support the Board of Directors in its responsibility for allocating financial and other forms of support to charitable and other community organisations in Canberra and the wider region.

The Committee meets quarterly and assesses the community assistance requests according to the Club's approved strategy, budget constraints, policy and criteria.

The Hellenic Club's primary objectives include:

- to promote and develop community spirit and to generally raise the standard of living in our community;
- to secure and benefit the welfare of our members and our community;
- to promote, develop and encourage sporting and recreational activities;
- to encourage and promote theatre, music, singing and dancing;
- to provide information and services to support our members and community organisations; and
- to promote, foster and encourage the Hellenic language, culture and heritage.

The process for granting community assistance is as follows:

- Applications are submitted in writing via the Club's Community Assistance Request Form, which are due the week prior to a Community Contributions Policy Committee meeting;
- Applications for support must be supported by the business plan of the organization and evidence of effective governance;
- In exceptional circumstances, the Committee may consider applications made at another time, though if this is the case a full explanation of the exceptional circumstances should be provided with the form;
- The Committee will review the application based on the Club's community assistance policy and criteria and will recommend to the Board the level of support to be provided; and
- The Club informs successful applicants of their grants one (1) after the Board have approved recommendations.

HELLENIC CLUB

COMMUNITY ASSISTANCE REQUEST

Please forward all requests to: The Community Contributions Committee

1. ORGANISATION DETAILS
